Assignment 2
Day 2

The screenshot shows the Jira interface for a project named "SQA_Assignment2". The top navigation bar includes "Your work", "Projects", "Filters", "Dashboards", "Teams", "Plans", "Apps", and a "Create" button. A "30 days left" badge is visible in the top right. The left sidebar shows the "PLANNING" section with options like "SA board", "Timeline", "Kanban board", "Calendar", "Reports", "Summary", "List", "Forms", and "Goals". The main area displays the "SA board" with a search bar, user avatars, and buttons for "More", "GROUP BY", "Queries", "Work health", and "View settings". The board is divided into columns: "BACKLOG 3", "DEVELOPMENT CYCLE1 1", and "DEVELOPMENT CYCLE2 2". Under "Everything Else (5 issues)", there are three cards: "functional" (SA-4), "Security_Testing" (SA-5), and "Verify user can complete registration & login" (SA-1). The "functional" card has a red arrow icon, while the others have yellow equals icons. A "Create issue" button is at the bottom left of the board.

The screenshot shows the details for issue "SA-1". The top bar includes "Add parent" and "SA-1". The main area is divided into two sections. The left section, titled "Edit in Dialog", shows a table with two rows of data. The first row is for "Action 1" (Register a new account), "Data" (New user details), and "Expected Result" (None). The second row is for "Action 2" (Log in using new credentials), "Data" (None), and "Expected Result" (User is successfully logged in). The right section, titled "Selected for Development", shows a table with fields: "Assignee" (ravindu), "Reporter" (ravindu), "Development" (Create branch, Create commit), "Labels" (None), and "Priority" (Medium). A "Pinned fields" section is also visible at the top right of the right section.

1	Action	Data	Expected Result
1	1. Register a new account	New user details	None
2	2. Log in using new credentials	None	User is successfully logged in

Field	Value
Assignee	ravindu
Reporter	ravindu
Development	Create branch, Create commit
Labels	None
Priority	Medium

Assignment 2
Day 2

The screenshot shows the Jira SQA_Assignment2 interface. The left sidebar contains navigation options: DEVELOPMENT, Components..., Code, Releases, Project pages, Testing Board (selected), Add shortcut, Project settings, and Archived issues. The main content area displays the test execution details for 'Verify user can complete registration & login'. The execution status is 'PASSED'. The timer shows '00:02:10'. The started on date is '6/Feb/2025 10:54 AM'. The assignee is 'ravindu'. The finished on date is '6/Feb/2025 10:54 AM'. The test version is 'v1'. The test environments are listed as '-'. There are no findings. The test details are marked as 'MANUAL'.
